

It has been said, "evil triumphs when good men remain silent."

My family has noted, COVID cured the flu. Flu deaths are dramatically down. Seems if you add COVID deaths and Flu deaths, it is very similar to previous years. The COVID numbers are higher because in such instances as someone dying in car crash, but tested positive for COVID, of course they died from COVID.

OUR LADY IS OUR GUIDE

At **LaSalette**, the Mother of God appeared, she was very sad. She said;

- The Church will be eclipsed, the world will be in consternation.
- Rome will lose the Faith and become the seat of the Antichrist
- May your zeal make you famished for the glory and the honor of Jesus Christ

Her requests;

- I make an urgent appeal to the earth.
- I call on the true disciples of the living God who reigns in Heaven.
- I call on the true followers of Christ made man, the only true Savior of men.
- I call on my children, the true faithful, those who have given themselves to me so that I may lead them to my divine Son.
- I call on the Apostles of the Last Days, the faithful disciples of Jesus Christ who have lived in scorn for the world and for themselves, in poverty and in humility, in scorn and in silence, in prayer and in mortification, in chastity and in union with God, in suffering and unknown to the world. It is time they came out and fill the world with light.

Her promise;

- I carry in my arms, so to speak, those who have lived in my spirit.
- I am at your side and within you, provided that your faith is the light which shines upon you in these unhappy days.

Her orders, this from the Queen of Heaven and Earth;

- Fight, children of light, you, the few who can see.
For now, is the time of all times, the end of all ends.
- Go and reveal yourselves to be my cherished children.

THE VIRUS

The Wuhan Virus is known to have originated in China. China requested the name be change to not use Wuhan, so we have complied and use COVID. The virus is a biological attack. Some US Generals have alluded to this being the onset of WW-III. China worked in concert with Freemasonic-Globalists, so-called world leaders; pedophiles and Satanists, minions of Satan. Ultimately this is an attack from the devil against the Holy Roman Catholic and Apostolic Church, viz, the Catholic Church. All other evils coming from this "plan"demic are just collateral damage.

Sister Lucia, a Fatima seer said, "The final battle between the Lord and the kingdom of Satan will be about Marriage and the Family." We see this happening daily in the news. This is quite useful in setting the global disposition to pit family members against family members, neighbor against neighbor, Catholic against Catholic. The devil's grand plan is to first corrupt the True Faith.

The changes within the Church have been ubiquitous. Literally every part of the faith has been modified, updated, modernized;

- the Priesthood and the Papacy,
 - the Mass,
 - the Divine Office,
 - the Sacraments,
 - Priestly Orders (deacons, "ministers" of the Sacraments, *et al*),
 - prayers,
 - the Martyrology,
 - the Calendar,
 - the process of Sainthood,
 - Morals
 - Church Discipline
- EVERYTHING! ...it is virtually a NEW Religion.

Satan will attempt to prohibit the Holy Sacrifice.

"... and the sacrifice shall fail: and there shall be in the temple the abomination of desolation: and the desolation shall continue even to the consummation, and to the end." -- [Dan 9:27](#)

WHAT SHOULD WE DO?

In times of question, always hold on to Tradition.

Saint Vincent of Lerins asked what Catholics should do if the entire Church was infected by a "novel contagion". He explained that, at such a time, the safe path is to cleave to tradition. He wrote:

"What then will the Catholic Christian do, if a small part of the Church has cut itself off from the communion of the universal Faith? The answer is sure. He will prefer the healthiness of the whole body to the morbid and corrupt limb.

But what if some novel contagions try to infect the whole Church, and not merely a tiny part of it? Then he will take care to cleave to antiquity (tradition), which can never be led astray by any lying novelty."

OBEDIENCE IN LIGHT OF TRADITION

Bishops and Priests are entitled to obedience from their "flock" as they have responsibility towards the salvation of their souls, but have no authoritative competence regarding the body.

With desire, we submit in Obedience regarding Spiritual matters, when it has been taught, as Saint Vincent says "*quod semper, quod ubique, quod ab omnibus*" (always, everywhere, and by all). You say the "fundamental principle at work here is Divine Faith". I disagree, as the topic at hand falls under Church Discipline.

You have made various references to Scripture citing the Authority of Bishops and our necessary submission to that Authority. We believe we submit as required. But in these times of "diabolical disorientation" (ref: Sister Lucy of Fatima) it is incumbent upon the faithful to do their due diligence and fight for God and His rights, in favor or those imposed by man. We disagree regarding the "authority" of a Bishop to impose mandates outside his area of competence, viz. medical restrictions.

- Canon 212 states that the faithful “are bound by Christian obedience to follow what the sacred pastors...determine as leaders of the Church.” The mandating of dehumanizing-masks, in accordance with public health regulations, is specifically a matter outside the bishop’s authority as leader of the Church. The vast majority of bishops and priests are not medical doctors nor health experts; thus, when they make declarations about mask-wearing for the physical health of their flock, they are exceeding the limits of their competence. The action of the clergy to mandate dehumanizing-masks exceeds the bounds of their ecclesiastical authority. Lastly, “the Christian faithful have the right to worship God according to the prescriptions of their own rite approved by the legitimate pastors of the Church.” Dehumanizing-masks are not part of the Rubrics of the Liturgy.
- Canon 392, p2. “He is to exercise vigilance so that *abuses do not creep into ecclesiastical discipline*, especially regarding the ministry of the word, the celebration of the sacraments and sacramentals, the worship of God and the veneration of the saints, and the administration of goods.”
- St. Thomas defines the framework for obedience due to superiors – outside of which obedience is not obligatory and may even be sinful.
 1. The order cannot contradict the law of God.
 2. The order provided by the superior must be within the "sphere of his authority", otherwise, there is no obligation to obey.
- Pope Leo XIII said, “where the power to command is wanting, or where a law is enacted contrary to reason, or to the eternal law, or to some ordinance of God, obedience is unlawful, lest, while obeying man, we become disobedient to God.” -- *Diuturnum Illud*
- Pope St. Pius X said, “for Catholics nothing will remove the authority of the second Council of Nicea, where it condemns those 'who dare, after the impious fashion of heretics, to deride the ecclesiastical traditions, and to invent novelties of any kind'.” – *Pascendi*

The Seventh Ecumenical Council states, “let everything that conflicts with ecclesiastical tradition and teaching, and that which has been innovated and done contrary to the examples outlined by the Saints and venerable Fathers, or that shall hereafter at any time be done in such fashion, be anathema.”

- According to Suarez, we should even disobey commands that are contrary to good customs – even if the one commanding is the Pope.
- Just as it would be wrong to obey a sinful command, or a command that is “contrary to reason”, so too is it wrong to obey a command that is repugnant to the Faith.

Regarding Church Discipline, a bishop can only decree liturgical laws. Dehumanizing-masks do not have a direct or indirect bearing on Liturgy.

We know priests who have been “reprimanded” by their Bishops. In the two examples we are aware of, the Bishop had no issues with what they were doing, it was a PR issue. In fact, like the early Christians, this priest was clever for the sake of this flock – the highest law in Canon Law is the Salvation of Souls.

We will not comply with this evil!

We will resist wherever and whenever we can.

As I see it, informally – not doctrinally – there are four kinds of Obedience;

1. mandatory
2. voluntary
3. when the command is sinful (we must *disobey*)
4. against reason or outside their Authority (we are not required to obey)

The fourth being the one where the devil wants us to believe it is the first. Archbishop Lefebvre famously said Satan's masterstroke in our day "is to have succeeded in sowing disobedience to all of Tradition in the name of obedience."

In the Church today, we have the "blind leading the blind". Obedience is a virtue that must be practiced prudently! In the end, we must act according to our conscience (hopefully well formed), and it is our actions that will be judged. We pray that we follow His Will.

In [Alta Vendita](#) it is stated;

"Our ultimate purpose is that of Voltaire and the French Revolution: that is, the total annihilation of Catholicism and even of the Christian idea (...) In a hundred years' time... the bishops and priests will think they are marching behind the banner of the keys of Peter when in fact they will be following our [Masonic] flag... the reforms will have to be brought about in the name of obedience".

Obedience of the laity is required in the domain of Faith, Morals and Church Discipline. We are not bound by obedience regarding commands against Reason. If a Bishop commands obedience to, say, the Flat Earth concept, we are free to reject it. If dehumanizing-masks are useless, or virtually so, it seems that would fall into the same area – it is against Reason to use them.

Saint Thomas Aquinas

"a subject may not be bound to obey his superior in all things. First on account of the command of a higher power. ... Secondly, a subject is not bound to obey his superior if the latter command him to do something wherein he is not subject to him."

Summa-Part.2-Ques.104-Art.5,Obj.3(answer)

"Inferiors are not subject to their superiors in all things, but only in certain things and in a particular way, in respect of which the superior stands between God and his subjects, whereas in respect of other matters the subject is immediately under God, by Whom he is taught either by the natural or by the written law."

[Summa-Part.2-Ques.104-Art.5,Obj.2.Reply](#)

Archbishop Vigano (ref.)

They (Modernists) have devised an even more subtle stratagem, attempting to obscure the Bride of Christ by superimposing upon her a spurious entity that claims her name but renounces her Faith.

This situation of bipolarism implies that those who remain faithful to the *depositum fidei* must pay homage to a sacred authority which, however, must be resisted by disobedience when it is exercised for purposes that conflict with the purpose for which it was instituted by Our Lord.

The Church is undergoing a tremendous crisis... anyone who remains firm in the Faith may/will be accused of being an enemy of the Church and the Pope.

Saint Athanasius, Father and Doctor of the Church has said;

- Even if Catholics faithful to tradition are reduced to a handful, they are the ones who are the true Church of Jesus Christ.
- The true Catholic is the traditionalist.

Where is our OUTRAGE in these diabolical and demonic attacks on Holy Mother Church?

THE MASK

We should resist the "face diaper", a sign of submission to the devil and the Freemasonic-Globalists, viz, the dehumanizing-mask.

- It is a badge, not unlike the "Jewish badge" required in Nazi Germany
- It is unhealthy both medically and psychologically
- It is very ineffective in stopping transmission of the Wuhan Virus

Wearing the dehumanizing-masks, putting out signs saying "Healthcare Heroes" only deepens the so-called normalcy of wearing dehumanizing-masks and instills fear against those who do not wear it. There is anger on both sides; those who wear and those who do not, against each other.

Wearing the dehumanizing-mask, leads to;

- more oppression, i.e., experimental "vaccination"
- mandatory vaccination intended to kill
- mandatory vaccination intended to track (microchip, contact tracing)
- global control and oppression

Sadly, there are even priests who believe the Blessed Sacrament can be a vehicle for spreading disease.

Some priests are banning people, others are threatening to ban them, from entering churches and worshipping God in His Physical Presence in the Blessed Sacrament, if they do not wear the dehumanizing-mask in submission to the Freemasonic-Globalists agenda. These priests have no Spiritual Authority to do so. They can only invoke a misguided, illogical and immoral Secular Authority to "turn in" their flock. They are cowards, hirelings.

Per Canon 843.1, Catholics have the right to receive the Sacraments;

"Sacred ministers cannot deny the sacraments to those who seek them at appropriate times, are properly disposed, and are not prohibited by law from receiving them."

Dehumanizing-masks have zero salutary benefit, are physically filthy, and are actively dangerous to human health. Virtually every "PC" statement regarding dehumanizing-masks is a lie. To wear the dehumanizing-mask is to become an accomplice to the lie and its irrational, Luciferian end. Living with a perpetually warm, damp fabric over the mouth which is constantly touched is a bacteriological disaster. Redirecting exhalation up into the eyes is medically insane. Staphylococcus, streptococcus, conjunctivitis, periodontal infection (Trench Mouth) and acne are just a few of the conditions caused by dehumanizing-masks and facial veiling. Increased Carbon Dioxide respiration is dangerous and impairs human function.

The mask is an outward, visible sign of submission and assent to the Freemasonic-Globalists; aka, the demonic. Some would consider the wearing of the dehumanizing-masks by priests during the Holy

Sacrifice as blasphemous, viz., the *Alter Christus* as a participant in the Luciferian agenda. Wearing the dehumanizing-mask supports and emboldens the Freemasonic-Globalists in their ultimate suppression of the Mass.

We are traveling the road towards totalitarianism. As de Tocqueville wrote in his reflections on early America, one of the primary tasks of a free citizenry is to resist encroaching tyranny - "even of the 'soft' variety - for once we've given up our rights, 'tis very difficult to get them back".

If you comply, you are part of the problem.

CLOSING CHURCHS

Our Pastor believes he is required to follow the Bishops guidelines due to his "promise" of Obedience. The laity makes no such promise. Neither the priest or laity makes a Vow of Obedience.

Our family, along with many others, already go to other churches because we cannot fulfill our Sunday obligation in a normal way (time, registration). The sheep are hungry and will feed elsewhere as needed. Initially, for many months, we were being deprived of the Sacraments. There are many, with little or no access to the Sacraments, who drift along losing hope and their faith.

Remember;

- the remnant are those who know, love and serve God as He desires.
- the Third Commandment which, after the New Law came into effect, REQUIRES us to go to Mass unless we have a valid reason... others potentially having a virus is not a valid reason.

A thing or person is only good when it fulfills the end for which it was made. If our Bishops and Priests are not administering the Sacraments, then they are not good. Their responsibility to minister to the faithful entrusted to them, by offering Mass and administering the Sacraments, trump any illegal order by a superior, or any threat by civil authorities. Even to the point of risking your health and, if necessary your freedom, for the Salvation of Souls.

It is outside of the Bishop's authority to allow a long-term dispensation from going to Mass. The Bishops are committing grave sin with the cancellation of Mass, and the granting of dispensation for not attending, and their cowardice for the Salvation of Souls. Does this evil required Obedience? I think not. Remember the words of Saints;

"The floor of Hell is paved with the skulls of bishops." -- Saint Athanasius

"The road to Hell is paved with the skulls of erring priests, with bishops as their signposts." -- Saint John Chrysostom

"I do not think that there are many among bishops that will be saved, but many more that perish."
-- Saint John Chrysostom

COSEQUENCES

In each situation we find ourselves, we all must make our decisions in good conscience. The current trajectory is leading to;

- loss of Hope
- loss of Faith
- families being torn apart

- communities and parishes being divided
- isolationism, instead of socialization, of people
- negative impact on the dignity of the human person, viz., dehumanizing, the objectification of each person
- fear is ubiquitous - people are easily controlled when afraid
- medical professionals are "heroes" facing this "death scare" - reinforcing the fear of the people
- animosity and disrespect toward, and a mistrust of, authority
- lack of Charity toward: people, community, non-profits
- millions upon millions of people medically affected
- small businesses have been crushed
- big businesses (owned by Freemasonic-Globalists) thrive and grow
- the global economy is crushed
- increased dependence upon Government, viz., subjection
- Contact Tracing leads to Big Brother monitoring
- pressure to receive the "death jab", dangerous so-called COVID "vaccine"
- the imposition of the "Vaccination Passport"

All of this leads to a Global takeover, i.e., Communism.

All because so many are afraid to stand up for the Truth!

SCRIPTURE ☺

But we all beholding the glory of the Lord with *open face*, are transformed into the same image from glory to glory, as by the Spirit of the Lord. --[2 Cor 3:18](#)
